Who are you?

# Policies

## Lecture Attendance

- **Option 1:** Attend 2/3 lectures for 10 weeks, beginning the week of Labor Day
- **Option 2:** Complete an open-ended final project (if you have previous Stats and CS coursework, this is your only option)

## Lab Credit

- **Option 1:** Submit lab by midnight on Tuesday with all tests passed
- **Option 2:** Come to lab, work on it, and get checked off (even if you don't finish completely)
